**PVC TRANSPORT:** Transport for NSW has been reviewing PVC Subsidy claims for accuracy because it has introduced a new computer system and this has caused a delay.

This has also deferred for a short time, the attendance days collection process for all schools.

We understand this overall will lead to a delay of several weeks compared to the usual processing time.

Transport for NSW has advised us they are apologetic for the inconvenience.
**WOOLWORTHS EARN AND LEARN:** Woolworths Earn and Learn has commenced and will continue until the 8th September. Our school is this year is participating. This will allow our school to choose Mathematics and other resources.

Remember to let your family and friends know to collect their stickers. These can be given to the school or dropped into the box at Woolworths. Each family received a sticker sheet, once this is full, return it to the school. Please pick up another one from Woolworths or the school or bring your stickers in anyway. Thank you.

CLASS NEWS

Our Senior Students have returned from their travels in Canberra and it sounds as though they had a wonderful, busy time. Thank you to Therese for accompanying them all and keeping everyone safe.

The junior students had a great week as well and played together very well.

We are now looking to the Zone Athletics as the next major event for some of our students.

The Performances are also fast approaching, so we will be rehearsing and planning for staging our events.

We will be considering the “costumes” for everyone as well. They will all be diners at a restaurant, so it will be normal cloths (and the school will add the extra “props”).
